Dover Publications Inc., United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. As this delightful story opens, something strange is going on! The waters of the Laughing Brook and Smiling Pool have become a mere trickle, causing alarm among the creatures of the Green Forest. It seems Jerry Muskrat's cousin, Paddy the Beaver, has come south to make himself a new home. That means he had to stop the waters that flowed in the Laughing Brook and Smiling Pool to make a fine new pond for himself and a comfortable home of sticks and mud. But what will happen to the waterways in the Green Forest? Young readers will find out in this charming tale of woodland adventure, as the gentle, good-natured beaver wins over scolding Sammy Jay and the two work together to outsmart Old Man Coyote. This timeless story, with original illustrations by Harrison Cady, not only entertains young readers and listeners, it also imparts valuable lessons about friendship, trust, and respect for the environment.
