Trafford Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For many, the Bible is a mysterious and closed book. However, Ephesians - 1st Century Background and 21st Century Applications seeks to open this great New Testament letter. Ephesians - 1st Century Background and 21st Century Applications give the reader or a study group the tools for understanding the historical, linguistic, geographical, literary, and theological foundations of the six chapters of Ephesians. Though some may view Bible study as merely increasing one's head knowledge with little or no change in lifestyle, attitudes, or behavior, Ephesians - 1st Century Background and 21st Century Applications shows practical ways that one's lifestyle, attitude, and behavior may be shaped by the Scriptures. The Biblical text for Ephesians - 1st Century Background and 21st Century Applications is a paraphrase created by the author and built upon the original Greek text plus several English and French translations. Ephesians - 1st Century Background and 21st Century Applications provides opportunities for you to change around: God's grace, love, and reconciliation through Christ's death and resurrection. The church is not a building or a bureaucracy, but it exists wherever people are committed to Jesus and one another. How Christ wants to be at home in every aspect of life. Building a strong marriage and family life.
