Wipf Stock Publishers, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The attic is a wondrous place. It is a place to fix things: Dad's workshop is there, and Henry's special corner, which hides his secret supply of building blocks. When his soldier father comes back changed, Henry's fantastic block towers are threatened by Dad's sudden outbursts. But in the attic inspirations come, and repairs of all kinds are made. Time, Love and Licorice is a story of pain and hope. This Healing Coloring Storybook is illustrated with drawings of Henry's optimistic, creative and imaginative world -- a safe space in which children and families can face and try to heal from the disruptions caused by Post-Traumatic Stress Disorder (PTSD). Time, Love and Licorice is also a tool for professionals who are intent on helping those suffering from PTSD. The artwork creates a transpersonal space, a dream space. There are no images of angry fathers or frightened children to impose emotions upon the reader. The story is visually expressed through the familiar rooms and objects in the child's life. One may observe, with a series of copies used over a course of time, that the child's chosen method changes as creative self- Dr David H. Rosen is a physician, psychiatrist, and Jungian analyst. The vast array of his interests include finding meaning in suffering; spirituality as it relates to healing; dreams; all kinds of creativity, especially visual art and haiku; egocide as a meaningful alternative to killing oneself; and practicing what he preaches. Rosen is the author of ten books, including The Tao of Elvis; The Tao of Jung: The Way of Integrity; The Healing Spirit of Haiku with co-author Joel Weishaus; Clouds and More Clouds; Transforming...
