Brand New Book ***** Print on Demand *****.Eve Gingrich has only been married a few months to a widower with four children. It's not easy to try to take the place of a beloved mother who passed away in her thirties, but Eve has a wonderful heart and puts everything into her marriage as she attempts to bond with each of the children. When Hosea proposed, it was more for the children's sake than for himself. The couple knew each other for only a brief time. After a disappointing relationship earlier in her life, Eve had accepted the single life, though now she had an opportunity to perhaps find love. The holidays are a difficult time for all, but two years have passed since their mother died and the children, ranging in age from six to sixteen, each respond to Eve in different ways. Though a mother and wife can never be replaced, will Eve be able to make a difference in the lives of this hurting family?.
