

The One Westerner: Who Didn t Talk Too Much (Paperback)

By Jon Lee Junior

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.(This book is the screenplay format of the story) An action-suspense movie for the thinking man . The terrorism-in-US plot is about an assassination attempt (with an antitank missile) on the daughter of the U.S. President, as she drives to her college graduation ceremony. Meanwhile, a broader feeling - of retribution and justice - pulsates through the story. Why? A similar movie would be The Day of the Jackal; though The One Westerner has an American context, and greater psychological depth of characterization. Meanwhile, the all-American hero who foils the plot is something of a lovable maverick, in the tradition of Die Hard. The assassin is known to be a (white) British Muslim, but his true full identity is only revealed in the very last scene - and in a way which now proves how this taut action-suspense story has the literary depth which is associated with a Greek Tragedy. Here is a screenplay which combines broad mass appeal with high literary standards.
