

Dinosaur Derivatives and Other Trades (Paperback)

By Jeremy M. Josse

John Wiley Sons Inc, United States, 2015. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. Venture deep into the heart of finance's weird and wonderful paradoxes. *Dinosaur Derivatives and Other Trades* is an entertaining and compelling tour de force highlighting the paradoxes inherent to the modern financial system. Presented as a series of striking case studies, this book explores certain enigmatic or philosophical puzzles in the finance industry; some of these puzzles may seem slightly absurd at first glance, but all are very relevant to the way finance is conducted in the real world. Each story highlights specific hypocrisies or moral dilemmas that lie at the heart of the system, guiding readers through the challenges of finance by way of innovative and memorable paradigms. Written in clear, accessible language, this book doesn't claim to offer original financial theory or philosophy as such, but instead deepens the reader's understanding of the system and stimulates independent consideration of the current state of affairs. The financial world, so often viewed as a rather dull place, is secretly alive with possibilities of strange and sometimes wonderful conundrums. There is the possibility, for instance, of a Manhattan auction house...

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.
