THE INVISIBLE MAN [LARGE PRINT EDITION]: THE COMPLETE UNABRIDGED ORIGINAL CLASSIC (PAPERBACK)

DOWNLOAD

Createspace, United States, 2014. Paperback. Condition: New. large type edition. Language: English . Brand New Book ***** Print on Demand *****.This premium quality large print volume presents H. G. Wells original science fiction classic in a freshly edited and newly typeset edition featuring a generous 6 x9 page size and printed on heavyweight bright white paper with a fully laminated cover with an original full color design. Also included is an introductory biographical sketch discussing Wells life, work and continuing literary significance. The Invisible Man originally appeared in serialized form in Pearson s Weekly in 1897, and was published as a novel the same year telling the story of Griffin, a former medical student and scientist who has, through research into the science of optics, invented a process to make a human body invisible. He has successfully applied the procedure to himself, but finds that he is unable to reverse the effects, leading to a series of events that spiral out of control. The extent to which runaway science, Griffin s personal psychological makeup, or human nature in general drive the events echoes a theme that recurs throughout Wells works. Typical of Wells major science fiction works, The Invisible Man reflects a degree of ambivalence about scientific progress, and looks at the possible effects of science and technology applied without restraint. Much like The Island of Dr. Moreau, it can be viewed as a sort of cautionary tale, warning that science and technology, when pursued and applied outside a structure of societal norms and ethical restraints, can lead to disastrous consequences. Herbert George Wells (1866-1946), was born to shopkeepers who had previously been employed as domestic servants. When an injury ended his father s income as a professional cricketer, Wells parents, on the brink of poverty, apprenticed him to a...
