Re/Search Publications, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The brand known as Ed Hardy has sold more than a billion units of merchandise to date and continues to expand into emerging markets. But who is the artist Ed Hardy who created the images that have taken on a life of their own, replicated on everything from shirts to air fresheners to cologne? In these uncensored interviews, Ed Hardy demonstrates the relentless curiosity, rebellion, and rigor that have informed his creative career from the very beginning. He names artists, books, movements, and ideas that will continue to inspire seekers of new frontiers and territories to emblazon. Determined to legitimize the tattooing as an art form, Ed Hardy pioneered a creative practice centered on the enhancement of the human body. Today, Ed Hardy has retired from tattooing, focusing on making paintings, drawings, lithographs, etchings, ceramics, collages, scrolls, and work in other media. But how does an artist stay creative while a brand bearing his name wreaks a global tsunami of a parallel existence that confuses countless onlookers?.
