

## The Grand Embrace: Why Grandmothers Have the Magical Power to Heal Our World (Paperback)

By Mary-Lou Rosengren

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. If you are already a Grandmother or looking forward to becoming one, do you realize how incredibly important your impact will be in the lives of your grandchildren? You are so much more than a convenient babysitter or the one who gets to spoil them and give them back to their parents. Today's grandmothers are healthier, more youthful, more engaged, and living longer than ever before. As women, they also naturally possess the feminine traits of nurturing, kindness, compassion, and acceptance - qualities that seem to be diminishing quickly in today's society. This generation of Baby Boomer grandmothers is the last to bridge the worlds before and after technology-saturation. As such, they could also be the last to remember when a human connection was more valuable than connections made randomly through social media and online relationships. Parents are experiencing more stress and pressure to succeed and the adverse effects on their children, our grandchildren, is becoming evident. Now is the time for grandmothers to recognize and unlock the magical power they have as women and as wise and gentle...
