Make Believe Ideas, United Kingdom, 2012. Board book. Condition: New. Language: English . Brand New Book. Busy Window books are fantastic cutout board books ideal for curious children wanting to explore books with their hands. The bright colors and shaped pages make these books fun to read and play with. Each spread shows different animals or objects, and the cutout hole includes one picture that makes a fun shape, and each shape created can be seen when the book is closed to form a busy window. There is a title for every aspect of baby's life: Animals, Colors, First Word, and On the Move. The carry-me handle means babies can take the book with them wherever they go!.
