## THE TRIATHLETES GUIDE TO MENTAL TRAINING

To get **The Triathletes Guide to Mental Training** PDF, remember to refer to the button below and save the document or get access to other information which might be in conjunction with THE TRIATHLETES GUIDE TO MENTAL TRAINING book.

VeloPress. Paperback. Condition: New. 296 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Triathlon is certainly physically demanding, to say the least, but most triathletes would agree that it is the mental aspect that can determine whether or not they achieve their competitive goals. Resources addressing this key aspect have been hard to come by -- until now. In *The Triathletes Guide to Mental Training*, the authors -- both accomplished sport psychologists and Ironman triathletes -- offer readers in-depth, practical information and skills they can use to build mental muscle. Readers learn first how to assess their psychological strengths and weaknesses, and then discover the six mental factors that most affect triathlon performance. The book includes essential tools for training and competition, such as routines, mental imagery, and tips on getting organized and setting goals, and also explores what it takes to be an Ironman, the unhealthy side of triathlon, and valuable lessons to be learned from the world's best triathletes. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
