

The Apocalyptic Son of Man in the Gospel of John

By Benjamin E. Reynolds

Mohr Siebeck Gmbh & Co. K Okt 2008, 2008. Taschenbuch. Condition: Neu. Neuware - Benjamin E. Reynolds demonstrates that the Johannine Son of Man is an apocalyptic figure and that the background of this apocalyptic figure can be traced to the 'one like a son of man' from Daniel 7 and the interpretations of this figure in Jewish apocalyptic literature. The author argues that 'Son of Man' does not function to draw attention to Jesus' humanity nor is it synonymous with 'Son of God'. 'Son of Man' may overlap in meaning with other titles, but 'Son of Man' points to aspects of Jesus' identity that are not indicated by any other title. Along with the other titles, it helps to present a richer Christological portrait of the Johannine Jesus. 314 pp. Englisch.
