Christian Publishing House, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Culture War. How the West lost its greatness and was weakened from within outlines how the West lost its values, causing its current decline. It is a forceful attack on the extreme liberal, anti-religious ideology which since the 1960 s has permeated the Western culture and weakened its very core. The West is now characterized by strict elitist media censorship, hedonism, a culture of drug abuse, abortion, ethnic clashes and racial divide, a destructive feminism and the dramatic breakdown of the family. An ultra-rich elite pushes our nations into a new, authoritarian globalist structure, with no respect for Western historical values. Yet, even in the darkest hour, there is hope. This manifesto outlines the remedy for the current malaise and describes the greatness of our traditional and religious values that once made our civilization prosper. It shows how we can restore these values to bring back justice, mercy, faith, honesty, fidelity, kindness and respect for one another. Virtues that will motivate individuals to love one another, the core of what will make us great again.
