

## Choosing a Bible Translation (Paperback)

Filesize: 6.05 MB

### Reviews

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

Liturgical Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Which Bible translation is the best to use or to buy? Which does the Church recommend? In Choosing a Bible Translation, John Pilch discusses two kinds of Bible translations: word-for-word (literal or formal correspondence), and meaning-for-meaning (literary or dynamic equivalence) and comments on the merits of each for the needs of Bible readers. Pilch also emphasizes some challenges that translators of the biblical texts face such as the use of inclusive language, social systems, textual variants, and sensitivity to cultural awareness. He provides readers with a host of resources for choosing Bibles on computer software, obtaining electronic copies of translations, and for locating translations on the Internet. John J. Pilch, PhD, teaches Scripture at Georgetown University, Washington, DC. He is the author of The Cultural Dictionary of the Bible; the three-volume series The Cultural World of Jesus Sunday by Sunday: Cycles A, B, C; Galatians and Romans in the Collegeville Bible Commentary series; and articles in The Modern Catholic Encyclopedia, The Collegeville Pastoral Dictionary of Biblical Theology, and The Bible Today, all published by The Liturgical Press.
