Untold Press, LLC, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A few months ago, I was a normal girl. Life sucked, and just like everyone else, I took the simple things for granted. At least until I got this new power, a gift my mom called it. Apparently, I m a firestarter. I didn t want to be. I didn t ask to be. It would be cool if it wasn t so dangerous and I knew how to control it. When an uncle I d never heard of showed up to take care of me after my mom died, I should have been grateful. As it turned out, my whole family isn t normal and more than a little bit crazy. I thought things couldn t get any worse. I was wrong. They banished me to Ever.
