Electro-H

By Alexander J. C. Skene

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 200 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Excerpt from Electro-Hmostasis in Operative Surgery This contribution relating to electro-hemostasis and the electric cautery in general and special surgery, is issued to supplement the third edition of my work on diseases of women, in which the subject was referred to, but altogether too briefly discussed. The interest manifested by the profession in this subject, the employment of the new methods of operating in other than gynaecological surgery, a number of recent improvements in instruments and in the technique of operating, and a larger experience confirmatory of the value of the principles and practice advocated, both prompted the undertaking and raise the hope that the results will be acceptable to the profession. The part of the work devoted to electro-haemostasis may appear to be rather aggressive, not to say revolutionary, and therefore it might be judicious to give in this preface a statement explanatory of the principles involved and a preliminary argument in their favor; but past experiences remind me that it is unnecessary to do so. In former contributions to medical literature I have avoided all declamations and special pleadings regarding the...

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
