

## The Shotokan Karate Bible 2nd edition: Beginner to Black Belt (Paperback)

By Ashley P. Martin

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. An authoritative text supporting the newcomer to karate with all they need to know, up to black belt level. Packed with photographs detailing techniques and kata (the combinations of techniques students need to master to progress through the belts) this book is designed to take the student step by step through the progression of Shotokan Karate, taking each belt in turn. Photographs and clear instructions take you step by step through the kata. Karate is a martial art that focuses on the application of strikes using predominantly the hands and feet. It originated in Japan and has become popular throughout the world. There are many styles of karate but the most widely practised outside of Japan is Shotokan Karate. Training in karate is normally divided into three sections: the basic technique; kata, or sequencing of techniques to imaginary opponents; and kumite, the sparring done with an opponent. In total there are ten gradings to be passed in order to get a black belt - this, on average takes a student four years to attain. This book covers all the training needed to...

### Reviews

*The most effective book i ever read through. it had been written quite flawlessly and valuable. I am just happy to let you know that here is the very best publication i have got read through during my individual daily life and may be the greatest pdf for ever.*

-- Prof. Adonis Rodriguez

*Comprehensive information for publication fans. I have got read and i am confident that i am going to likely to go through once again once again in the foreseeable future. I am just very happy to let you know that this is actually the greatest book i have read in my very own existence and could be the finest book for at any time.*

-- Clair Windler
