No one knows both sides of the Pak-Afghan Frontier as [Wick] does. He has climbed the mountains, run the rivers, and sipped tea in countless tribal councils. In these thirteen tales, he offers readers a boots-on-the-ground feel for life and operations in this topographically and culturally rugged region. The small villages, the dusty streets, the smell of smoky wood fires, the pace and cadence of conversations-this is the way it was. -from the foreword by Gary C. Schroen, leader of the first joint CIA/military team in Afghanistan following 9/11 Goat Game presents the war in Afghanistan and Pakistan with originality and unmistakable authenticity.
