## THE HEALTHY CHILD THROUGH HOMEOPATHY (PAPERBACK)

DOWNLOAD

John Blake Publishing Ltd, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. Tricia Allen, a qualified homeopath, offers a host of practical advice on how to treat illness using natural, homeopathic remedies. Homeopathy differs from conventional medicine in that it does not only alleviate the individual symptoms of an illness, but treats the underlying state to ensure that the disease does not return, something which rarely occurs when using traditional remedies. This guide gives you advice on; what homeopathy is and how to use it; each stage of childhood and how to deal with the complaints that occur at that time of a child's development; the most common childhood illnesses, how to take your own steps to treating them, which homeopathic remedies to use and when to seek medical help and first aid.
