DAVID CHARLES, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Young modern crafters will love this collection of kitschy, cool accessories to sew with leather. They can choose from 20 modern designs including earrings, brooches, hair accessories and necklaces. Zoe Larkins explains how to stitch with leather and create your own gorgeous accessories. All the projects are small and hand stitched for quick results, but the designs are striking and certain to appeal to modern crafters interested in working with a new material. The designs are split into months to reflect seasonal themes and include heart shoe clips and a matching necklace for February, strawberry earrings and brooch for June and a dippy egg necklace for April.
