SOCIAL EDUCATION BY THE PERSPECTIVE OF ART AND COMMUNICATION

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Creative public relations and art education models | The most strategic steps of a dialogue mechanism based on intercultural education are training and raising international mediators, and building an international mediation mechanism within the intercultural education system. The first chapter develops peace education from differences and creates an Intercultural Consensus Model. The chapter Social Mass Media Education draws the main frame of mass media education by explaining a sensitive communication style for...
